**Safe Babies Harris County works to:**

- Improve developmental outcomes & decrease stress levels for infants and toddlers in the child welfare system
- Support birth parents to build parental confidence, provide positive parenting tools, strengthen attachment, & provide resources to support their mental well-being
- Strengthen the relationship between birth parents and placement (including foster parents/ relatives/kinship)
- Collaborate with parties to a case and support agencies serving the family to ensure cross communication to effectively support families
- Assist in developmentally appropriate transitions
- Continue support until legal case closes

*Safe Babies is a voluntary, collaborative program for birth parents and caregivers in conservatorship cases out of Harris County*
